TOWN OF OTTERBEIN- MOSQUITO CONTROL SECTION

MOSQUITO CONTROL POLICY STATEMENT

OBJECTION TO ADULT MOSQUITO CONTROL

The policy of the Town of Otterbein regarding an objection to adult mosquito control by truck-mounted, ultra-low volume (ULV) application of insecticide is as follows:

- ! An individual may have his/her owned or leased real property and a surrounding buffer up to 300 feet on all sides of the property excluded from ground based ULV adult mosquito control.
- ! Each individual requesting this exclusion must submit the request in writing to the Town of Otterbein. The request must provide the address of the property to be excluded and must be signed by the owner(s) or leasee(s). This request will be acknowledged in writing by the Department.
- ! If the number of individual objectors, and the location of excluded properties, precludes an effective mosquito control adulticide service in a community, the service in that community will be suspended. Service may be reinstated upon the written request of the community and approval by the Department.
- ! A city/town or community association may request the Department to rescind or modify a spray exclusion zone if the local authority believes the exemption unfairly impacts other residents who desire adult mosquito control service.
- ! The Department periodically will verify the continued occupancy/ownership by objectors of properties excluded from ULV ground spraying to determine if the objection continues.
- ! In the event of mosquito-borne disease or conditions that threaten public health, the suspension of mosquito adulticide service in an area due to objectors will be discontinued and the full range of mosquito control procedures available will be utilized.
